The Visitation Center includes:

- Six (6) individual visitation rooms decorated with a comfortable, home-like setting, complete with children's games, toys, and activity center
- A central common area with a microwave, refrigerator, and sink
- A fully equipped bathroom, including changing station
- Lots of child-friendly art and bright colors throughout

Visitation Center Information

Plan to arrive 10-15 minutes prior to the start of your visit in case of parking issues and to check in with security.

For everyone's safety, all visitors are asked to check in with security. You will be required to go through metal detectors and bags will be checked. No weapons, including but not limited to, guns, knives and pepper-spray are permitted.

The Visitation Center is tobacco, alcohol, and substance free. Illicit drugs, smoking, vaping, or other tobacco products are prohibited.

Service animals are permitted during visits (with documentation); all other animals are not permitted in the Visitation Center.

Things to Know/Remember Prior to the Visit

Parents/Guardians are encouraged to bring food, such as meals, drinks, snacks, and other things (e.g., decorations, plates) for special celebrations, such as holidays and birthdays.

Although the Visitation Center has toys, books, arts and crafts; parents/guardians are encouraged to bring their own family-friendly activities that their children will enjoy.

Visitors, with prior approval, may attend celebratory events and other visits. Information regarding visitors must be provided to the caseworker, in advance, of all visits.

To provide parents/guardians the opportunity to engage with their child(ren), the use of personal cell phones and electronics is limited during visitation time.

A visit may be terminated if there are disruptive behaviors, threats, fights, or concerns for substance use.

Appropriate dress is required. No revealing clothes, gang-related, vulgar language, or sexually explicit material will be permitted.

All visits are documented.
